Everyone knows that being citizen of the year is a very big honour for each person. This award demands a lot of efforts and patience. In this article I would like to tell you about my candidate for the award "Tomsk citizen of the year".

I want to suggest to nominate Petrova Elena Alekseevna for the award "Tomsk citizen of the year". This woman stayed strong after death of her daughter Alena, who had cancer. During treatment of Alena, Elena Alekseevna understand that there are not any organisations in the region which can help them. Then Elena decided to establish a foundation for helping children which have the same illness like Alena. This brave act of Elena Alekseevna allowed many children in Tomsk region to receive help in their treatment. Elena gave hope to children and their parents.

In conclusion, I would like to say that all people should follow the example of Elena ~~A~~Alekseevna and this woman is worthy of such award like "Tomsk citizen of the year".
