## WRITING Time: 55 minutes

The editor of a student magazine, publishing a series of short stories, has asked you to contribute a story to it. You may choose any subject but your story should begin with these words: *Have you ever spent time studying in another country?* 

Use the following words and expressions in your story:

1) union, 2) forthcoming, 3) break up, 4) midterm, 5) common room, 6) pass with flying colors, 7) back to basics, 8) as easy as ABC, 9) show of hands

Underline the required words when used in your story. Write 200-220 words.

## Remember to:

- · include a title;
- · use an appropriate style;
- · include idioms from the lists below;
- include direct and indirect speech;
- describe feelings and emotions;
- · make an emotional ending.

Studying abroad.
I have spent time studying in another country. As for me, studying abroad is very interesting and weeker. When I came abroad for the first dishe I showed: "What a the first think, it is also very helpful in different ways.  Firstly thanks to studying in different countries people learn foreign languages
is very interesting and usexue! When I came abroad for the first divine I
Showed: "What a place must think, it is plso very helpful in different ways.
Languages. Thanks to studying in different countries people learn Koreign
Secondly Students Coather in unions from all over the world and lett
each other about their traditions and habits
Thirdly a lot of people locking forward to making new foreign friends
and tell other about their lives in their own countries.
Now with of the students day the less lecrows
Although Stydying abroad brings a let of positive emotions It
also makes us pested sad, It the Jend of the studying we have to
Thirdly a lot of people locking forward to making new foreign friends and tell I them about their lives in their own countries.  In my opinion, Studying can be as easy as ABC if teachers will play with the students day the test lessons.  Although, Studying abroad brings a let of positive emotions. It also makes us bested sad, At the Vend of the studying we have to break up with our triends and back to basics at home. My parents said that I should not be disappointed as at the present we have a lot of opportunities thanks to which we can keep communicating with our friends in distance.
a lot of apportunities thanks to which we care your some
with our friends inadistante. Should
In conclusion, I I would like to say that every person has to try
In conclusion of I would like to say that every person has to try Studying in another country because it leaves a lot of plasent remines and emotions.
Wid princtions.
